Run Payroll 

Too many companies promise an automated payroll solution.

**We are the only ones to
fully automate it in India.**

THE OBJECTIVE

Finding one tool which takes care of
HR, Finance and Employee experience,
**no matter the size of your organization,
or how fast you scale.**

THE PROBLEM

01

Multiple Compliance filings & payments made by Finance teams

02

HR and Finance teams **overburdened with manual tasks**

03

Data **accuracy lost** due to the involvement of numerous groups

04

Long response time from support channels and outsourced partner

What if you could

**save 300 hours yearly
by automating payroll &
HR management?**

THE SOLUTION

We **simplify** payroll for HR, Finance and Employees.

Finance

Human Resources

Employees

(5) Added cost

5000+ companies love RazorpayX Payroll!

Wall of Love

“

My payment gateway is them

My vendor payments is them

My payroll is them

My TDS filing is them

MAD respect for what Harshil Mathur and team have built. Every person I speak to acts like the founder “

Ankur Warikoo, Co-founder - Nearbuy

Wall of Love

“

Amazing product. Been using the Beta version for sometime. Esp. as an admin - **one click approvals are a time saver**. Kudos to the team for shipping things at such a fast pace “

Shashank Kumar, Founder - PushOwl

Wall of Love

“

Huge shout out to RazorpayX for making compliance easier. It's really a painstaking task to build a technology product around compliance. I have always got positive reviews from all founders to whom I have referred this product. Please keep surprising us! “

CA Aravind

CASE STUDY

Revolutionising Payroll: Zo World **Slashes** **Payroll Time by 75%** with RazorpayX Payroll

CASE STUDY CONT.

Zo World before RazorpayX Payroll

- Payroll processing, reimbursements, tax filings and payslips generation done manually- a time-consuming and cumbersome process.
- Used bulky templates and filled in details manually to make payments through bank
- Kept a track of compliances laws, and their filings and payments.
- Manual verification of validation of investment proof annually
- Multiple requests to the HR for Form 16 and payslips

Zo World after RazorpayX Payroll

- Onboarding to salary execution, reimbursements to handling employee full and final settlement during exit- everything is automated.
- Compliances are set on auto-pilot mode and taken care of by the product.
- Validation of investment proof filed by the employees taken care of by RazorpayX Payroll.
- Comprehensive reports and free letter templates like offer letters, appointment letters, etc., to enable the HR team.
- Employees log into their accounts to access payslips and Form 16.
